

**FINESSE.**

Style and warmth for every room.

The new **FINESSE** electric radiator provides all the benefits of central heating without the need for a major installation. Filled with environmentally-friendly vegetable oil, it provides instant warmth thanks to a perfect balance of radiant and convection heat. The **FINESSE** radiator can be used as a stand-alone radiator or can be connected to an external thermostat for added control.

**MYSON**

Rettig USA Inc.  
45 Krupp Drive, Williston, VT 05495

hülsta, D-48702 Stadtlohn

The range comes in two heights and six lengths providing a product suitable for all room sizes.

Finished in high-gloss paint (white RAL 9016) with a decorative front panel, **FINESSE** complements every décor perfectly.

Made to a Scandinavian design in a state-of-the-art factory in the UK, Finesse radiators are manufactured to the highest possible international standards and tested and approved specifically for use in Canada.
